

ABS-CBN HOLDINGS CORPORATION INVESTOR RELATIONS

ABS-CBN Holdings Corporation (the “Corporation”) respects the rights of holders of shares of stock and securities issued by the Corporation and complies with regulatory and legal requirements that enforce and ensure that such rights are respected. These requirements include due and proper notification for general meetings of shareholders and the provision of adequate, transparent and timely information due holders of shares and securities.

As a publicly listed company, the Corporation is subject to reporting requirements prescribed by regulatory authorities, including the SEC and the PSE, among others. The Corporation is compliant in submitting timely structured and non-structured reports and disclosure filing required by the SEC and the PSE.

To complement these disclosures, the Corporation, through its Corporate Secretary, files its quarterly and annual report submissions in a timely manner.

Inquiries from institutional and individual investors are also duly acknowledged and addressed.

The Corporation also maintains a website that contains information on the history and business of the Company, its Board of Directors and officers, financial information and reports and disclosures filed with the SEC and the PSE, securities price performance and cash distribution to securities holders , and investor relations contact information.

The contact details (e.g. telephone and email) of the Corporate Secretary, the officer responsible for investor relations, are provided in the website – <http://www.abs-cbnpdr.com/>
