1. Management’s Discussion and Analysis of Financial Condition and Results of Operations

ABS-CBN Holdings Corporation’s (the Company) primary purpose is investing, purchasing and holding real and personal properties, including but not limited to, shares of stock, bonds, debentures, notes, evidences of indebtedness or other securities or obligations. The Company has not conducted any business other than in connection with the issuance of Philippine Depository Receipts (PDRs), the performance of obligations under the PDRs and the acquisition and holding of shares of ABS-CBN Corporation (ABS-CBN) in respect of PDRs issued.

Any cash dividend or other cash distributions distributed in respect of ABS-CBN shares received by the Company (or the Security Agent on its behalf) shall be applied towards the operating expenses then due of the Company (including but not limited to applicable taxes, fees and maintenance costs charged by the Philippine Stock Exchange shown as “Operating Expenses” in the statements of comprehensive income) for the current and preceding years. Any amount equal to the Operating Expenses in the preceding year (the “Operating Fund”) shall be set aside to meet operating or other expenses for the succeeding years. Any amount in excess of the aggregate of the Operating Expenses paid and the Operating Fund for such period (referred to as “Interest”) shall be distributed to Holders pro-rata on the day after such cash dividends are received by the Company.

The Company’s key performance indicators are focused on dividends received by the registrant to meet the PDR holders’ expectation and monitor and maintain the cash and cash equivalents’ level to meet its obligations with respect to the Company’s current and preceding year’s operations.

The Company received cash dividends for its investment in ABS-CBN shares and in turn distributed interest to its PDR holders. Details are as follows:

| | Cash Dividend | Interest Paid | Interest Paid per Share |
|------------|---------------|---------------|-------------------------|
| May 2016 | ₱246,885,825 | ₱239,858,214 | ₱0.7287 |
| April 2015 | ₱197,880,660 | ₱196,600,944 | ₱0.5961 |

The table below summarizes the results of operations for the period ended June 30, 2016.

| | Six Months Ended June 30 (Unaudited) | | Variance | |
|--------------------------------|---|-------------------|----------------|------------|
| | 2016 | 2015 | Amount | % |

| Operating Expenses | 3,072,364 | 2,807,769 | 264,595 | (9) |
| Net Income | ₱– | ₱– | ₱– | – |

Operating expense increased by 9% mainly due to the increase in listing maintenance fee.

Unexpired portion of the listing fee is shown as part of “Other current assets” account in the 2016 statements of financial position amounting to ₱1,120,000.

Cash and cash equivalents increased to ₱14.57 million or 22.18% from December 31, 2015 mainly due to the cash dividends received in May 2016. ABS-CBN HOLDINGS CORPORATION

NOTES TO FINANCIAL STATEMENTS

1. Corporate Information

ABS-CBN Holdings Corporation (the Company) was incorporated in the Philippines on March 30, 1999 as Worldtech Holdings Corporation, for the primary purpose of investing, purchasing and holding real and personal properties, including but not limited to, shares of stock, bonds, debentures, notes, evidences of indebtedness or other securities or obligations. On September 16, 1999, the Philippine Securities and Exchange Commission (SEC) approved the change of the Company's corporate name to ABS-CBN Holdings Corporation.

The Company has not conducted any business other than in connection with the issuance of Philippine Depository Receipts (PDRs), the performance of obligations under the PDRs and the acquisition and holding of shares of ABS-CBN Corporation (ABS-CBN) in respect of PDRs issued (see Note 4).

The Company is 50%-owned by Lopez, Inc. (Lopez), a Philippine entity, and 50% owned by certain directors and officers of Lopez, Inc.

The registered office address of the Company is 4th Floor, Benpres Building, Exchange Road corner Meralco Avenue, Pasig City.

2. Summary of Significant Accounting Policies

Basis of Preparation

The accompanying financial statements have been prepared on a historical cost basis and are presented in Philippine peso, which is the Company's functional and presentation currency. All values are rounded to the nearest peso, except when otherwise indicated.

Statement of Compliance

The accompanying financial statements, which are prepared for submission to the SEC and the Bureau of Internal Revenue (BIR), are prepared in compliance with Philippine Financial Reporting Standards (PFRS). PFRS includes statements named PFRS and Philippine Accounting Standards (PAS) and Philippine Interpretations based on equivalent interpretations from the International Financial Reporting Interpretations Committee (IFRIC) issued by the Financial Reporting Standards Council.

Changes in Accounting Policies and Disclosures

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the preparation of the Company's 2015 audited financial statements.

3. Significant Judgments, Estimates and Assumptions

The Company's financial statements prepared under PFRS require management to make judgments, estimates and assumptions that affect the amounts reported in the financial statements and related notes.

In preparing the Company's financial statements, management has made its best judgments, estimates and assumptions of certain amounts, giving due consideration to materiality. The judgments, estimates and assumptions used in the financial statements are based upon management's evaluation

of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from such estimates.

The Company believes that the following represents a summary of these significant judgments, estimates and assumptions and related impact and associated risks in its financial statements:

Recognition of Deferred Tax Assets. The carrying amount of the Company's deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or part of the deferred tax assets to be utilized. However, there is no assurance that sufficient future taxable profit will be generated against which all or part of deferred tax assets can be applied.

The deferred tax assets on NOLCO amounting to ₱6,655,073 and ₱5,733,364 as of June 30, 2016 and December 31, 2015, respectively, were not recognized by the Company (see Note 10).

Determining Fair Value of Financial Instruments. PFRS requires that certain financial assets and liabilities be carried at fair value, which requires the use of accounting estimates and judgment. While significant components of fair value measurement are determined using verifiable objective evidence (i.e., foreign exchange rates, interest rates, volatility rates), the timing and amount of changes in fair value would differ with the methodology used. Any change in the fair values of these financial assets and liabilities would directly affect the statements of comprehensive income.

Due to the short-term nature of the Company's financial assets and liabilities, the carrying amounts of these financial assets and liabilities approximate their fair values as of balance sheet date.

4. **Philippine Depository Receipts (PDR)**

On September 29, 1999, the Company offered 132,000,000 PDRs relating to 132,000,000 ABS-CBN shares. Each PDR was issued for a total consideration of ₱46.00, which consists of a deposit of ₱45.90 and a PDR option price of ₱0.10.

Each PDR grants the holders, upon payment of the exercise price and subject to certain other conditions, the delivery of one ABS-CBN share or the sale of and delivery of the proceeds of such sale of one ABS-CBN share. The Company remains to be the registered owner of the ABS-CBN shares covered by the PDRs. The Company also retains the voting rights over the ABS-CBN shares.

The ABS-CBN shares are still subject to ownership restrictions on shares of corporations engaged in mass media and ABS-CBN may reject the transfer of shares to persons other than Philippine nationals. The PDRs were listed in the Philippine Stock Exchange on October 7, 1999, and it may be exercised at any time from said date. Any cash dividend or other cash distributions distributed in respect of ABS-CBN shares received by the Company (or the Security Agent on its behalf) shall be applied towards the operating expenses then due of the Company (including but not limited to applicable taxes, fees and maintenance costs charged by the Philippine Stock Exchange shown as "Operating Expenses" in the statements of income) for the current and preceding years. Any further amount equal to the Operating Expenses in the preceding year (the "Operating Fund") shall be set aside to meet operating or other expenses for the succeeding years. Any amount in excess of the aggregate of the Operating Expenses paid and the Operating Fund for such period (referred to as "Interest") shall be distributed to Holders pro-rata on the day after such cash dividends are received by the Company.

Upon exercise of the PDRs, an exercise price of ₱0.10 per share is paid by the PDR holders. This exercise price is shown as "Exercise fees" account in the statements of comprehensive income.

Immediately prior to the closing of the PDR offering described above, Lopez, Inc., to which the Company is affiliated, transferred 132,000,000 ABS-CBN shares to the Company in relation to which

the PDRs were issued. For as long as the PDRs are not exercised, these shares underlying the PDRs are, and will continue to be registered in the name of and owned by, and all rights pertaining to these shares, including voting rights, shall be exercised by the Company. The obligations of the Company to deliver the ABS-CBN shares on exercise of the right contained in the PDRs are secured by the Pledge of Shares in favor of the Security Agent acting on behalf of each holder of a PDR over the ABS-CBN shares.

At any time after the initial offering, a shareholder may, at his option and from time to time, deliver shares to the Company in exchange for an equal number of shares. The exchanges are based on prevailing traded values of ABS-CBN shares at the time of transaction with the corresponding PDR option price.

12. Financial Risk Management Objectives and Policies

The Company’s principal financial instruments comprise cash and cash equivalents which are used to finance the Company’s operations. Other financial liabilities of the Company are trade and other payables which arise directly from its operations.

It is, and has been throughout the year under review, the Company’s policy that no trading in financial instruments shall be undertaken.

The main risks arising from the Company’s financial instruments are credit risk and liquidity risk. The BOD reviews and approves the policies for managing each of these risks and these are summarized below.

Credit Risk

There are no significant concentrations of credit risk in the Company. Credit risk arises from default of the counterparty.

The maximum exposure to credit risk for cash and cash equivalents and receivables presented in the table below is equivalent to their carrying amounts in the statements of financial position.

| | June 2016 (Unaudited) | December 31 2015 (Audited) |
|---------------------------|-----------------------------|----------------------------------|
| Cash and cash equivalents | ₱14,574,353 | ₱11,928,689 |
| Other receivables | 1,702 | 1,814 |
| | ₱14,576,055 | ₱11,930,503 |

As of June 30, 2016 and December 31, 2015, the Company's financial assets are neither past due nor impaired and are considered to be of high quality since these are deposits or placements to counterparties with good credit rating or bank standing.

Liquidity Risk

The Company's liquidity risk arises from its financial liabilities. Liquidity risk on financial liabilities is minimal since funding comes from dividends from ABS-CBN.

The Company's trade payables, due to a related party and accrued expenses (excluding statutory liabilities amounting to ₱37,248 and ₱19,901 as at June 30, 2016 and December 31, 2015, respectively) amounted to ₱15,665,526 and ₱11,910,602 as of June 30, 2016 and December 31, 2015, respectively, are classified as current and are payable on demand.

Capital Risk Management

As discussed in Note 1, the Company has not conducted any business other than in connection with the issuance of PDRs, the performance of obligations under the PDRs and the acquisition and holding of shares of ABS-CBN in respect of PDRs issued. Capital includes capital stock, additional paid-in capital and deficit. The Company adopts a prudent approach on capital management to ensure that it maintains its net assets.

Dividends received from ABS-CBN, exercise fees and the related interests are distributed to PDR holders less operating expenses incurred. Any excess over the interest distribution to PDR holders and actual operating expenses is deferred and amortized when applied to the actual operating expenses of the succeeding years. On the other hand, if the balance of the unearned revenue, exercise fees and the interest income earned during the year is not enough to cover the actual operating expenses for the year, the expenses are reimbursed from the PDR holders.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders. No changes were made in the objectives, policies or processes during the periods ended June 30, 2016 and December 31, 2015. The Company is not subject to any externally imposed capital requirement.

As of June 30, 2016 and December 31, 2015, the Company has a total capital of ₱23,099,356 and a deficit of the same amount.
