The Company has undertaken not to conduct any business other than in connection with the issuance of Philippine Depositary Receipts [PDRs (see Note 3)], the performance of obligations under the PDRs and the acquisition and holding of shares of ABS-CBN Broadcasting Corporation (ABS-CBN) in respect of which PDRs are issued.

2. Summary of Significant Accounting Policies

Basis of Preparation

The accompanying financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in the Philippines under the historical cost basis.

Changes in Accounting Policies

Adoption of SFAS 24/IAS 24, "Related Party Disclosures," which became effective on January 1, 2002, did not result in restatements of prior year financial statements. Additional disclosures required by the new standard, however, were included in prior year financial statements, where applicable.

The Accounting Standards Council approved the following new accounting standards which will be effective on January 1, 2003:

- SFAS 10/IAS 10, "Events After the Balance Sheet Date," which prescribes the accounting and disclosure related to adjusting and non-adjusting subsequent events. The Company will adopt SFAS 10/IAS 10 in 2003 and, based on current circumstances, does not believe the effect of adoption will be material.
- SFAS 37/IAS 37, "Provisions, Contingent Liabilities and Contingent Assets," which provides the criteria for the recognition and bases for measurement of provisions, contingent liabilities and contingent assets. It also specifies the disclosures that should be included with respect to these items. The Company will adopt SFAS 37/IAS 37 in 2003 and, based on current circumstances, does not believe the effect of adoption will be material.

Revenue

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

Realized deferred income. Revenue is recognized upon exercise of PDRs.

Interest income. Revenue is recognized as the interest accrues (taking into account the effective yield on the asset).

Dividends. Dividend income is recognized when the shareholders' right to receive the payment is established.

Investment in ABS-CBN Shares

Investment in ABS-CBN shares is carried at cost. The cost of ABS-CBN shares issued in exchange for PDRs exercised is based on the average cost of all the shares held at the time of exercise.

Income Tax

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial reporting bases of assets and liabilities and their related tax bases and, net operating loss carryover (NOLCO). Deferred tax assets and liabilities are measured using the tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled, and NOLCO is expected to be applied. A valuation allowance is provided when it is more likely than not that some portion or all of the deferred tax assets will not be realized.

3. Philippine Depositary Receipts (PDRs)

On September 29, 1999, the Company offered 132,000,000 PDRs relating to 132,000,000 ABS-CBN shares. Each PDR was issued for a total consideration of ₱46.00, which consist of a deposit of ₱45.90 and a PDR option price of ₱0.10. The deposits are shown as "Philippine Depositary Receipts" while the PDR option price is shown as "Deferred income" in the accompanying balance sheets. The deferred income will be realized upon exercise of the PDRs (shown as "Related deferred income"). The difference between the PDR and investment in ABS-CBN shares is shown as "Loss on conversion of PDRs."

Each PDR grants the holders, upon payment of the exercise price and subject to certain other conditions, to delivery of one ABS-CBN share or the sale of and delivery of the proceeds of such sale of one ABS-CBN share. The ABS-CBN shares are still subject to ownership restrictions on shares of corporations engaged in mass media and ABS-CBN may reject the transfer of shares to persons other than Philippine nationals. The PDRs were listed in the Philippine Stock Exchange October 7, 1999, and it may be exercised at any time from said date.

Any cash dividends or other cash distributions distributed in respect of ABS-CBN shares received by the Company (or the Security Agent on its behalf) shall be applied towards its operating expenses then due (including but not limited to applicable taxes, fees and maintenance costs charged by the Philippine Stock Exchange) of the Company (the "Operating Expenses") for the current and preceding year. Any further amount equal to the operating expenses in the preceding year (The "Operating Fund") shall be set aside to meet operating or other expenses for the succeeding year. Any amount in excess of the aggregate of the Operating Expenses paid and the Operating Fund for such period (referred to as "Interest") shall be distributed to Holders *pro rata* on the day after such cash dividends are received by the Company.

Since the Company did not receive any cash dividends in 2002, unremitted interest as of December 31, 2001, and the accumulated exercise price received as of December 31, 2002, were used to cover the Company's Operating Expenses for the current year. Such amount is reflected in the 2002 statement of income as "Reversal of accrued expenses."

Immediately prior to the closing of the PDR offering described above, the Lopez Group, to which the Company is affiliated, transferred 132,000,000 ABS-CBN shares to the Company in relation to which the PDRs were issued. These shares are shown separately as "Investment in ABS-CBN Shares" in the balance sheets. For as long as the PDRs are not exercised, these shares underlying the PDRs are, and will continue to be registered in the name of, and owned by, and all rights pertaining to these shares, including voting rights, shall be exercised by the Company. The obligations of the Company to deliver the ABS-CBN shares on exercise of the right contained in the PDRs are secured by the Pledge of Shares in favor of the Security Agent acting on behalf of each holder of a PDR over the ABS-CBN shares.

At any time after the initial offering, a shareholder may, at his option and from time to time, deliver shares to the Company in exchange for an equal number of PDRs. The exchanges are based on prevailing traded values of ABS-CBN shares at the time of transaction with the corresponding PDR option price shown as "Deferred income."
